

# Annual E-governance Report:

## Introduction:-

Bhagwantrao Arts & Science College, Etapalli Dist- Gadchiroli is situated in rural, tribal, Socio-economically backward region of the state. The College has implemented e-governance for sharing information in some of the modules. Implementation of e-governance for all the aspects is not possible due to some financial issues. The activities like Admission, Examination applications, information of the college, information to the students and necessary notices have been implemented by e-governance. Most of the students and all the teachers use smart-phones to utilize the benefits of the modern day technologies in the field of higher education, college use this technology for the e-governance.

Applications of E-governance in different field are given below-

- 1. Students Admission:-** Student Admission process is followed by the University rule and as per Maharashtra Govt. norms. Admission is done online on the university admission portal by using Students User ID and Password. Students can avail their admission details by using their user ID and Password.
- 2. Examination Forms:-** All exam registration made online via affiliating University portal. Selection of subjects in CBCS program is done through online process. Internal Assessment Marks and Practical examination marks are uploaded via affiliating University portal. Registration and admit card issue is fully automated.
- 3. College Information:-** All the information regarding college and college staff is published on the college website. Anyone can access this information by visiting our college website.
- 4. Various information and notices for Students:-** As most of the students and all the teachers use smart-phones to utilize the benefits of the modern day technologies in the field of higher education, college use this technology for the e-governance. The teachers have created Whatsapp group of each class. All the necessary information and notices required for students is shared in concerning whatsapp group by the teachers or by the concerning clerk. Subject teachers also share study material of their concerning subjects via these Whatsapp group.
