

Best Practices

1] NSS for Society's Service

The NSS unit of the Institution was started in 2 Oct 1995. Initially it was started with 50 volunteers and now there are 200 volunteers every year are working under NSS. Since its establishment NSS is working for the society through various social activities. Every year under regular NSS activities Birth & Death anniversaries of various social reformers is celebrated. Also various social awareness programs like- Social Justice Day, International Yoga Day, Tree plantation, Cleanliness drive, International Literacy Day, Voters Awareness Rally etc. are conducted.

Every year NSS special Camps are organized to the nearby adopted village. During this special camp cleanliness drive is carried in the village by the NSS volunteers. Other major activities as per requirement of the villagers for their welfare is also took place like- repairing of patches in roads, water embankment for irrigation, soak pits etc. Students and villagers are evoked on various issues like- Health Education, Women's empowerment, Personality Development, Career Guidance, Tobacco and Alcohol free society etc. by engaging resource persons. NSS department also organize Blood donation Camp, Health Checkup camp, Animal Health Checkup camp etc. In the Special camp volunteers conduct cultural programs during night in which they aware villagers by their poetry, dramas and activities on various social issues.

During COVID-19 pandemic NSS department had contribute great for the society. During this situation NSS Volunteers along with the teachers prepared about 500 cotton face masks and distributed to the people of nearby villages. Also the NSS volunteers and teachers guided the villagers about how to take care of their health, importance of social distancing, importance of hygiene during this global pandemic. They motivate people for Covid-19 tests and for Covid-19 vaccination. The Road show was organized by the NSS volunteers for cleanliness drive during this pandemic. Covid-19 Test camp and Covid-19 Vaccination camp was organized by NSS department.

Also a NSS volunteer Mr. Rohit Madavi (B.Sc. Part-II) won first prize in an online painting competition organized on behalf of UNESCO and Association of India, New Delhi, based on the topic **"Covidmukta India."**

In the year 2019-20, NSS department has perform great work during the Flood Situation in Bhamragarh. The NSS volunteers worked for day and night to help flood affected people of Bhamragarh. Also helped in cleaning the flood affected area for the re-establishment of the people.

NSS department of the college has signed a MoU with NSS Department of Gondwana University, Gadchiroli. In accordance to this MoU college has applied for 3 Lack grant under, 'Baba Amte, Unnat Gram Yojana.' For carry out this scheme college and university selected a village, Todsa. Where fish cultivation project for the people of Todsa village will be carried out. Expertize training for fish processing and marketing will be given to the villagers. All the process have been done but the fund is yet to be released by the University.

NSS department of the institution is working hard for the society, since its establishment.

2. Skill Based Training Program:

Employment is the major problem for the students who have completed their education. Special for girls it would be a great deal to go for work to earn outside. So the institution made plan to offer Skill Based training to girls students for their self-employment from their home.

The institute has started 02 Skill Based Training Programs for students skill development through MoU with Adiwasi Laxmi Mahila Bachat Gat, Jiwangatta Tq. Etapalli . This group is working since 2004. They make various nutritive products from forest produce. These products are nutritive as well as very cheap and are affordable to people of this area. These peoples cannot afford the costly nutritive products. This Mahila Bachat Gat provide their nutritive as well as tasty products at very low cost. They prepare Moha Laddu, Bajara Laddu, Ragi Laddu, Jwari Laddu, Moha Barfi, Moha Pedha, Ambadi Sharbat, and various type of Pickles, etc. by processing forest produce. Each year 30 girl students are selected and given training of processing and marketing of different 'Nutritive Products from Forest Produce,'

Another Skill Based Training Programs for students skill development through MoU with Samba Hichami, Fish Cultivation, Krushnar Tq. Etapalli respectively. Each year 25 boy students are selected for the above said Two week Skill Based Training program of Fish Cultivation.

During this training these 25 boys will get basic knowledge of Fish Cultivation and its marketing. After completion of this training, students will be given certificates. This issued certificate will be useful to these students to start up their own business and for their self-employment.

2018-19

Bhagwantrao Arts & Science College, Etapalli, Dist- Gadchiroli

Employment is the major problem for the students who have completed their education. Special for girls it would been a great deal to go for work to earn outside. So we made a plan for students for their self-employment through Skill based training of Fish Cultivation .

With accordance to this, institute has done MoU with Shri. Samba Hichami, owner of Fish Cultivation pond in his farm at Krishnar Tq. Etapalli. So, as decision taken to send 25 boy students are selected for the above said Two week Skill Based Training program during this session

During this training these 25 boys will get basic knowledge of Fish Cultivation and its marketing. After completion of this training, students will be given certificates. This issued certificate will be useful to these students to start up their own business and for their self-employment.

Benefits of Mahua :

Mahua is a highly nutritious tree and can also use as an herbal medicine for treatment of various disease. In Ayurveda, it has been reported to be beneficial for heart, skin and eye diseases. It also has ethnomedical properties like antibacterial, anticancer, hepatoprotective, antiulcer, antihyperglycemic, analgesic activities etc. In villages, tribal people offer raw flowers to lactating mothers for increasing their lactation and to improve Adolescent Health.

Ingredients

Mahua Powder (Madhuca Longifolia) Nachani Powder (Gul/Jaggery) Kaju (Cashew) Badam (Almond) Anjeer (Fig) Shengdana (Peanut) Til (Sesame), Elaichi (Cardamom) Ghee
