Following points were discussed in the meeting as per given agenda and resolutions were passed.

- ① Discussion is made on the previous meeting. It is noted that all the resolutions passed in last meeting were implemented and proper action is taken. All the members agreed.
- ② As we are facing covid-19 pandemic the situation for offline admission is going to be difficult. The admission committee members are suggested to follow the admission process for the current year as per rules of Covid-19, by maintaining proper social distance, use of sanitizers and masks. Avoid physical contact with students. Take care of yourself and also of the students. All the members agreed.
- ③ Analysis of the results of Summer 2020 examinations have been done. Due to Covid-19 pandemic only students of last semester have been gone through the examinations and their results are good with good score while other semester students were declared passed by the university according to their previous sem. results. All the members agreed.

- ④ As we are facing Covid-19 pandemic it is our duty towards society to aware the tribal and backward people of this area about covid-19 pandemic. The decision is taken in the meeting that N.S.S. along with other departments will run some social awareness programs in nearby villages to aware people. Also N.S.S. volunteers will prepare masks and will distribute to poor people who cannot buy the masks. All the Members and N.S.S. Volunteers are suggested to follow the govt. guidelines of covid-19 during these activities. All members agreed.
- ⑤ As per Government of Maharashtra and Concordance University letters teaching-learning should be in Online mode due to covid-19 pandemic. All teachers are informed for Online teaching mode. But as the discussion made in the meeting direct online teaching in Live mode is not possible in this area due to lack of internet connectivity and in some villages there is no mobile network. So, it is decided to teach students by What's app messages. The teachers are suggested to create whatsapp groups and upload study material also solve the problems of the students via phonecall or by uploading tutorial videos. All the members agreed.
